RE: Conditions around
DeRussey's Lane, shots,
etc.

Some time ago you gave me the name of Mrs. Anna Vorhees, who was said to reside in a cottage on Easton Avenue, about a quarter of a mile from the entrance to De Russey's Lane, and who might know something about the conditions around the Lane on the night of the murder and the shots which were fired, etc.

I endeavored to locate this woman but no person living along Easton Avenue in the vicinity of the Lane had ever heard of her.

There is a Mrs. Annie Vorhees who is an inmate of the Parker Memorial Home, corner of Easton Avenue and Lanning Lane. She originally came from Mullstone and has been at the home for about 8 years.

I talked with a Mrs. Noble who was in charge of the Home at the time of my visit there and she informed me that Mrs. Vorhees is a woman over eighty years of age and that she is very feeble, both physically and mentally. I therefore did not talk with her.

Respectfully yours,

DAVID THOMPSON
